## SCAMMERS DON'T DISCRIMINATE BETWEEN THE YOUNG AND SENIORS!

The list keeps growing on how the scammers are swindling people of all ages, causing them to lose their hard-earned money. Some of the major ways fraud takes place are through online shopping with sometimes a false promise of a rare or cheap product you can purchase, employment scams requesting personal information and money upfront to get the job, student loan and student aid scams, and one of the most recent being the COVID-19 scams.

**BEWARE! BEWARE!**

## Taking A Trip? Let Us Know!

Whether it is a much needed vacation or an overnight getaway, avoid any issues and let us know if you plan to use your debit card.

**UPDATE**

### KEEP US UP TO DATE....

It's very important that you let us know of any changes that would be different than what we have on file for you. Changes like you've moved, you have a different phone number or a new email address.

### AVOID A DORMANT FEE!

Conducting activity on your account within every six-month period will avoid a dormant fee being assessed.

**Congratulations To All Students Graduating This Year!**

And our best wishes as you pursue a particular vocation or continue to further your education.
